ADMINISTRATIVE:

Tampa has assumed origin in this matter under the caption of ANTI-CASTRO GROUP, ORLANDO, FLORIDA, as it has not been clearly established that this group officially represents the Second National Front of Escambray (SNFE) (Operation Alpha 66) on which Miami is origin. The latter designation is added to the title in this report for the sake of clarification, as most of the information developed on the Orlando, Fla., group appears to pertain to SNFE, Operation Alpha 66.

CIA advised the Bureau on 9/17/63 it had no operational interest in the project mentioned at Orlando, Fla., concerning the T-6 military type aircraft purchased by Alpha 66 and its plans to ready this aircraft for possible raids against FIDEL CASTRO.

By airtel dated 10/1/63, the Miami Division advised the Bureau that FAA, Customs, and the Coast Guard were contacted relative to the above-mentioned aircraft, the key allegedly being used as a base which has an airstrip, and the two Americans who offered their services, all of which was with negative results.

All sources at Miami were alerted to immediately furnish any information bearing on possible neutrality matters, including air raids or attacks by boat.

In connection with the particular allegation that the group has a key on which they have stored arms and ammunition, as well as an airstrip, the following is noted.

U. S. Coast Guard Patrol Surveillance and Reconnaissance Plan dated 9/26/63 reflects Coast Guard has air patrols in the vicinity of the Florida Keys to Marquesa Keys, North Elbow Cay, Water Cays, Cay Sal Island, the shoal line eastward to Anguila Cay, eastern edge Cay Sal Bank to Dog Rock, Muertos Cays and

C  
Cover Page

TP 105-1982

northeast to Orange Cay, Riding Rocks, Gun Cay and Bimini, on a twice daily basis, operations and weather permitting. They also have intermittent patrols (every six days in lieu of the above) of other areas of the Bahamas, including Andros Island. The numerous airstrips throughout the Bahamas are spot checked in connection with this plan.

Cutters and patrol boats also patrol the Cay Sal Bank, Florida Keys, and Marquesa Keys.

The SNFE formerly utilized Williams Keys, northwest of Andros Island, as a base. There is an airstrip on this key which the British plowed up in April, 1963, but which may now be usable. Coast Guard Intelligence Office, Miami, had no information regarding such a base.

On 10/10/63, <sup>(Source)</sup> TP 59-S furnished the identities of the two "Americans" as DONALD SELIGMAN, of the Seligman Insurance Agency, Orlando, Fla., and an individual who uses the alias of HANK JACKSON, but who has a completely different true name which is unknown to the informant. Informant feared some type of reprisal if it were revealed that he had identified these two individuals. For this reason, Tampa did not deem it appropriate to disseminate the identity of the "Americans" at this time, nor is it deemed advisable to approach or interview either one. Cases have been opened to obtain background through usual sources.

Appropriate directories list DONALD C. and MARSHA B. SELIGMAN as residing at 1465 Peruvian Lane, Winter Park, Florida, telephone MI 7-0146. The Seligman Insurance Agency is listed at 1419 E. Colonial Drive, Orlando, Fla., telephone number 422-7661.

Remylet 10/11/63.

It is noted that CUBELA is a Cuban Government Source official whose desire to defect was made known by (MM 761-S) in June, 1962. Thereafter, CIA apparently made contact with CUBELA in Europe through (CARLOS TEPEDINO, 9819 64th Avenue, Rego Park, Queens, New York,) a Cuban exile and long-time friend of (MM 761-S) who frequently travels in Europe. (S)(u)

(MM 761-S) advised that on July 15, 1964, he was visited by (CARLOS TEPEDINO) at which time he confided certain information concerning CUBELA. He cautioned the informant to say nothing concerning their conversation which would permit the information to reach CIA or any other source through which it might become public, inasmuch as to do so might result in the death of persons in Cuba, as well as (TEPEDINO) himself. (S)(u)

(TEPEDINO) thereupon confided that he has been acting as the contact man between CIA and CUBELA. CUBELA is also in contact with (the Cuban Ambassador in Paris named CARRILLO,) who reportedly is anti-CASTRO. (CARRILLO) has been assisting both CUBELA and (TEPEDINO). (S)(u)

According to (TEPEDINO) CUBELA has been constantly complaining to him that CIA refuses to furnish him with certain necessary equipment with which he could take some

effective action in Cuba. According to <sup>TIS</sup>[TEPEDINO] CUBELA ~~(S)~~(u) desires some sort of compact equipment with which he can possibly eliminate CASTRO; however, CIA keeps offering him only large, bulky, unserviceable material.

According to <sup>TIS</sup>[TEPEDINO] there is now under discussion ~~(S)~~(u) some plan to kill FIDEL CASTRO, in which CUBELA will figure. CIA allegedly was formerly in favor of such a plan; however, inasmuch as Attorney General ROBERT KENNEDY would have no part of it, it was shelved. Now the plan has allegedly been brought up again for consideration. President JOHNSON allegedly is aware of it, and has not ruled against it. If set in motion, it will be scheduled to occur sometime before the elections in November.

<sup>TIS</sup>[TEPEDINO] told the informant he has not been able ~~(S)~~(u) to learn much more concerning this plan, other than that CUBELA is supposed to participate, that it is to be accomplished by men in Cuba, and possibly someone from Europe.

The informant advised <sup>TIS</sup>[TEPEDINO] did not specifically ~~(S)~~(u) indicate how he had acquired this information; however, the informant presumed from his manner of speaking that he had obtained it from CUBELA.

The above is for the information of the Bureau, and is not being submitted in form suitable for dissemination <sup>TIS</sup>since both [TEPEDINO] and CUBELA are apparently of operational ~~(S)~~(u) interest to CIA. Dissemination would also lead to the disclosure of (MM 761-S.) Although questioned closely, <sup>Source</sup>(MM 761-S) was not able to furnish any further details.
